February 27, 2026

Dear Parents & Guardians,

It is time for us to start planning for the upcoming school year. It is important for us to have an accurate count of students in order to plan classrooms, curriculum, and staff for the next school year.

You will see an **increase of \$200/yr (\$20/mo) in tuition fees for full-time students** for the upcoming school year.

Please keep in mind that we have done our best to keep costs as low as possible, and our goal is to keep this school affordable for all. The tuition schedule is on the back of this page for your reference in careful financial planning.

March 1st begins re-enrollment for current students and their families. This is the time to enroll siblings! (Note that ALL NEW students enroll at \$150.) Current families are allowed first choice during the month of March. We cannot guarantee openings after March 31st.

April 1st we will begin open enrollment to the public. If you know of a family that may be interested in enrolling their child, please let them know we are accepting new applications now, and all new applicants will be on a wait list until April 1st, as we allow the month of March for our current families.

June 1st we will continue accepting registrations, but the registration cost increases to \$150 for everyone. This is considered a late registration, and there is no guarantee of placement.

Please fill out the bottom portion of this page and return the whole page to the school to let us know whether you are planning on returning or not.

Returning students, please send in the \$100 registration fee, per student, to guarantee a space for your child.
If you are adding a sibling, please add their name and their intended grade.
Please include a \$150 registration for any NEW students.

Name of Student(s): _____

Entering Grade(s): _____

Check one:

_____ will be returning next year _____ will not be returning next year

Parent Signature _____
